

# REQUEST FOR TENDER

Water PNG Ltd (WPNG) is a State Owned Enterprise responsible for the provision and sale of potable water supply and sewerage services throughout the country. It is currently operational in fourteen (14) Provincial Towns and eight (8) District centers throughout PNG and is further extending its services into Ialibu District Town in Southern Highlands Province.

WPNG now invites tenders from suitably qualified surveying firms to carry out subdivision survey for demarcation of land boundaries of the water supply facilities for registration and acquisition by WPNG.
